## Fourth Annual Washington Barebow Picnic and Field Shoot

By John Templar

The 4<sup>th</sup> Annual Barebow Picnic and field archery shoot is history. Fourteen each of Field, Hunter, and Animal targets were provided for the day's shooting.

The picnic portion included grilled New York steaks, salad, corn-on-the-cob, and pickled things. A good time was shared by: John Paddock, John Templar, Doug Fir, L. Poplar, Dan D. Lions, Scott Broom, and Gary Oak. We are all looking forward to the 2008 event.

Participants enjoying the sun shine.

For those of you who are keeping track, each year John and his Washington Barebow group have more people attending. That's what we all like to see.

**Please keep Louis Travis in your prayers as he undergoes colon cancer surgery. Get well soon, Louis!**

### Barebow Cupids in Heaven

It saddens me to write of the following loses to our Barebow Family: Michigan's Shirley Jones, Texas's Monty Bowman, Virginia's Don Spaulding Maryland's Bill Sprickler and Charlie Washburns wife. I personally feel that I've lost friends. These people were all loved by those of us who knew them. Keep their families in your prayers.

**Picnic is Thursday night in Darrington. See Jerry for details. Phyllis Travis won't be there to set up**

the picnic this year and neither will I, so Jerry will need your help.

### Templar Teaches Girl Scouts How to Shoot

Last summer in Yankton, the Barebow Fraternity agreed that the best way to get our message out to the archery community was through our youth programs. John Templar is doing just that with the Washington Girl Scouts.

Would you like to have Barebow Newsletters more often? Do like John does. Send me pictures and/or articles. I'd be happy to let your friends know what is going on in your local archery community.

I know that Ron St. Clair is working with JROTC cadets at his high school and at summer camp in Texas. Charlie Washburn is working with JOAD in California.

**That's ftxbarebow@aol.com.** Let me know so I can share!
