# FROM THE EDITOR

The Indoor season was full of events such as: Lancaster Archery Classic, Easton Youth and Collegiate Trophy tournament, Vegas Shoot among the largest international level; Where many Floridians participated.

Greetings Florida archers, it is a privilege for me to be able to share from these pages what is happening in the sport of archery, in Florida, and nationally through the great shooters who represented our State in national and international class events this season.

However, at the National and local Level, we had the USA Archery Indoor Nationals & JOAD Nationals, the State FITA Indoor, the NFAA Sectional and State Indoor the NFAA Indoor Nationals ; as well as many Club shoots throughout the state.

This is a sign that the archery community is vibrant, active and has huge potential to keep growing with everyone's support.

**BY OLIVER AUSTIN**  
**FAA SEC /TREAS**

Greeting,

We had a very successful Indoor season with a good turnout for all of the Indoors. It was nice to see all of the archers coming out.

State tournament bids will be reviewed and awarded on Saturday at the State Field after the Animal round. Think about getting your club to bid.

Talking about the State Field, we need to think if we still want to shoot 28 Field, 14 Animal and 28 Hunter targets over a weekend. I personally love it but it is a lot of shooting and participation is going down. There are some states that are shooting 14/14/14 and others who have gone to just 28 Field. Another option would be to shoot the 14/14/14 on both Saturday and Sunday and let people decide which day they want to attend and if they want to attend both, they can register for a second spot. Share your concerns and desires with your Board members. They speak for you.

USA Archery doesn't like FAA collecting the full amount of state dues when we see you at tournaments and I have stopped doing so. That said, something has to give. NFAA members pay us a whopping \$15 for state dues and we haven't raised our dues in years and years. USA Archery gives us \$10 and that only if it is a one year membership. If an archer renews for three years the figure drops to \$8.33. In my opinion they shouldn't be able to dictate states dues but it is no use fighting big brother. I have been expecting them to yank our USA Archery charter any year now. I actually expected it this year and that is why the FAA USA Indoor did not count for shooter of the year.

. The other USA Archery shoots will continue to count because we are going to continue to host them. Most other USA Archery state organizations do not shoot a FITA 1440 or a FITA Field. We are in talks with Easton Newberry to host a state 720 in July (which is what the other states typically host). We will let you know on the USA Archery and FAA Websites if it is going to happen.

To help make-up for the difference in member fees collected, we have stopped sending the Release magazine to USA Archery only members unless they pay \$5.00 a year to help with postage and printing. It will not pay for the entire cost but we feel the extra portion is the cost of doing business. (A lot like what was happening in the past - USA Archery does not share address or email information with their state organizations so only active shooters that Tim collected the \$5.00 and got their address information actually received a Release in the past). As you should be aware you can get the Release for free on the website, it is in color and it is there way before it can be mailed to you. If you want it mailed, I will add a payment link on the FAA website to collect your name and address so we can mail it to you. I personally find it helpful to read it in print and when seeing and talking to a new archer to hand them a Release magazine.

I will be running the National Senior Games in Pittsburgh, PA in July and then will be flying to Darrington, WA for the NFAA National Outdoor.

Hope to see you at a shoot.

Oliver.

## NEWS

## NFAA CLUB OF THE YEAR AWARD

CITRUS ARCHERY CLUB, Spring Hill Florida, has been chartered with the NFAA since 1978. The club provides a flex range for field, international, indoor, 900 target, and 3D events. Club members offer free coaching for local youth and host the county 4H Shooting Club, winter and summer leagues, and a summer Youth Days Program. The annual Youth Days program invites local youth groups to participate in a coaching series and climaxes with a Tournament Finale.

David Ireland, a club representative, states, "Our best recommendation to anyone trying to build up their club is to look at your locale and decide where your archers are. Offer a program of the highest level of interest and diversify it enough to attract a wide number. Belonging to your State organization will help as it will provide a program foundation, promote your club and attract shooters to your program. Maintain routine club activities and keep things fun. Always include families and network for local youth. This is your future. Above all, provide access to the next level. Without a goal to achieve or something aspire to, there is no tomorrow." With the club's deep roots in the NFAA and steadfast perseverance to serving the community over the years, the CITRUS ARCHERY CLUB serves as a great example to aspiring clubs.

The inaugural Member of the Year and Club of the Year awards were given at the Opening Ceremonies of the 2023 Indoor National Championships. Nominations were accepted in Fall 2022 and winners were selected by an independent panel. Winners received a personalized plaque, feature in 2022 Q4 of Archery magazine, and \$200 NFAA gift card.

# ARCHERS FROM FLORIDA

STOOD OUT IN THE LANCASTER ARCHERY CLASSIC

Cecilia Seiglie, from Li'l Abner Archery, qualified in the **Lancaster Archery Classic**, facing Champion Lina Bjorklund in the 1/8 finals. She then won a Silver Medal at the **Easton Collegiate Tournament** the same weekend.

Tatyana Muntyan from Ft. Lauderdale Shot the **Lancaster Archery Classic**, She qualified in position 9 in the qualification round, moving on to the 1/8 finals facing Riley Marx.

**Lee Wilkins** qualified in 42nd out of the top 64. **Hector Leon** qualified 57 out of 64. This placed us in the elimination matches. Hector lost to Matt Yacca by only 8 points to make it into the top 32. Lee was eliminated by Dewayne Martin fighting to get into the top 16 by 9 points. All very close matches. **Angel Franco** was ranked 93rd overall

# RECORD BREAKING YEAR

## VEGAS SHOOT 2023

With three days of registration to go, more archers than ever before have registered to this year's Vegas Shoot. More than 3830 shooters are on the entry list – and that's above the previous high of 3816 set in 2020.

Competition starts this Friday, February 3 and runs until Sunday, February 5 at the South Point Hotel, Casino and Spa in Las Vegas, Nevada. Archers from all 50 states of the USA will take to the line – plus a record 55 countries. (Two more than the previous high.)

“The Vegas Shoot is back to breaking records. We're excited to host the biggest indoor archery festival ever – and edge ever closer to that magic number of 4000,” said Vegas Shoot President Bruce Cull.

“Our tournament attracts pros, amateurs, business, families and archers from across the globe. Having so many countries represented at the Vegas Shoot in 2023 is a huge accomplishment – and we're so excited to make this the best event to date.”

# ARCHERS FROM FLORIDA

SHOOTING IN THE 2023 VEGAS SHOOT

## Jacob Marlow Wins the 10K-A-Day Shoot Off

Saturday's shoot off ended in a battle between Jean-Philippe Boulch of France, and FL,USA's Jacob Marlow. Both archers are clean through today, and that exemplary shooting was on display as both archers continued to tie. It took several rounds but, a perfect inside-out arrow from Marlow, won him the \$10,000 check.

"It's good confidence booster going into tomorrow as I chase another 900," Marlow said.

# BAREBOW

## A GROWING STYLE

By Hector Leon

Barebow Archery is one of the classes that without a doubt has grown in popularity not only in Florida, but also all around the world.

The comradery, encouragement and support that is given in this division are only a few reasons why Barebow was one of the largest classes in the most recent Lancaster Archery Classic with 354 total archers combined.

Locally in Florida, we have also seen huge growth in the Barebow divisions recently. There's something about learning how to accurately judge yardage with no sights, manipulate your "point on" or aiming method with string walking and of course tuning the arrows to your bow for consistent accuracy is simply amazing.

One question I've asked myself however is, how can we measure and benchmark growth/improvement as a Barebow archer? To answer this question, I began using specific tournaments as benchmarks to see how I have grown throughout the year. I would use this information to create a specific training plans all while having fun learning with my Barebow family.

# BAREBOW

## A GROWING STYLE IN FLORIDA

By Hector Leon

Hector Leon [Florida]	6C	7.592 [120/120]	911	13	32	Hector Leon [Florida]	13B	8.392 [120/120]	1007	21	41	96	11%
David McDowell [Florida]	12C	6.225 [120/120]	747	13	11	David McDowell [Florida]	12B	6.300 [120/120]	756	5	10	9	1%

The latest data I collected was from the most recent USA Archery Indoor Nationals. This gave me some good data to work on as I create a training plan to work on throughout the year.

We had quite a few archers from Florida competing in the Barebow divisions this year. Curiosity set in, and I wanted to see how the other Florida Barebow Archers were progressing.

With this info, we have also discovered there have been some great improvement within the Florida Barebow community that should be recognized. For statistical purposes, I only used those competitors who competed in both 2022 & 2023 to compare.

I want to give a big Congratulations to all the Barebow competitors on their improvement. Keep up the great work, continue having fun learning and Go Barebow!!!!

# NFAA

## DIRECTOR'S REPORT

Greetings fellow archers. There are several new NFAA items that I want to bring you up to date on.

- First, the **NFAA has passed a new “Gender Policy”** that took effect February 1st, 2023. This new policy explains the eligibility to compete in gender-divided competitions and basically says: “athletes shall only be eligible to compete in the gender division corresponding with the gender of the athlete appearing on the athlete’s original birth certificate issued by the legal jurisdiction of his or her birth”. Details on how this policy will be enforced are explained within the new policy.
- Second, the **NFAA has a new Web Site**. One of the new features of the Web Site is that it provides the individual states with a section that can be used to communicate news and events within their state. This new section will be used to supplement the information that is provided to you in our Release magazine. FAA items of interest will be placed in our section in the near future.
- Lastly, the **NFAA board of directors meeting is August 28th** at the headquarters in Yankton. Agenda items must be submitted to the headquarters by May 1st. If there are any items that you would like brought up at the meeting, please contact me as soon as possible in order to make the May 1st deadline. My contact information is in the FAA officer’s section of this Release issue.

Regards,  
**Mike Spence**
