## FROM THE EDITOR

By Alvaro Ubeda

Greetings Florida Archers,

This indoor season has brought with it many changes in the organization of the sport of Archery in our state.

At all times the changes can be positive or negative, however it is worth noting that thanks to the work of many people our sport is experiencing growth that had stopped for some time.

This indoor season we highlight the large participation of archers of all ages, in events such as the under 21 indoor, or the 18 meters indoor, as well as the success of the NFAA state indoor event, which for the first time in a long time was held simultaneously in 2 locations, Tampa, Orlando and Fort Lauderdale.

**In archery we have something like the way of the superior man. When the archer misses the center of the target, he turns round and seeks for the cause of his failure in himself.**

We also want from this space to congratulate all the Florida Archers who have stood on National and International podiums, representing their clubs at high level events.

We have been updating the Florida NFAA sectional page with events and news and I dare say that of the entire south-east section we are the state association that contributes the most to this sectional page, which exposes everything we do to a much larger audience. Look at the following page link. [NFAA page for Florida.](#)

We hope that in 2024 the sport of Archery will continue to grow and expand in Florida; which is undoubtedly not possible without the determination, commitment and support of all of you. Thank you.

## MESSAGE FROM SECRETARY / TREASURER

By Oliver Austin

Greetings.

USA Archery has decided that they don't want state organizations to have charters with both National organizations and has lifted the state charter from us after failing to pay us the state rebate for more than 3 years. They are currently looking for a State Coordinator which they plan to pay \$200 a quarter. A far cry from the 5K that they should have been paying. The Florida Archery Association received the USAA state archery charter back when it was called the National Archery Association in 1974, 50 years ago. I feel we have been good stewards and we will continue to hold the tournaments that you want us to hold.

We just had the best Indoor season that we have had in a good long time. Thunderstruck in Tampa, East River in Orlando and Ft Lauderdale did a wonderful job. 2025 State Tournament bids will be accepted and selected on Saturday after the Animal round at the State Field. Please bid if you would like to be considered to host a shoot. We can only host shoots if clubs want to run them.

Remember that the State Field will be held at Gator May 4 or/and May 5. We are trying something different this year with a 14 Field / 14 Hunter followed by a 14 Animal after lunch. Hoping that less arrows and the ability to shoot it on one day might increase turnout. You can shoot the tournament on Saturday or Sunday or both with a second registration. You can shoot the State and the Sectional either together or separately. We have had a few calls wanting to shoot the Animal round on Saturday and the Field/Hunter on Sunday. This will be permitted but you will need to let me know when registering. It would be best if you email me. I personally love shooting a 28 Field and a 28 Hunter on the same weekend and plan to shoot both days.

I will be traveling to Michigan to shoot the NAFAC the end of June. It is a wonderful facility and well worth the trip. Next I will be traveling to Brazil for the World Field Archery Championship where I will be Team Captain of the USA Team. After the WFAC I plan to checkoff one of my bucket list items and visit Machu Picchu.

Sad to hear that Frank Gandy died, he will be missed.

See you on the range. Oliver.

# IFAA World Field Archery Championship 2024

August 2th to 10th 2024 | Foz do Iguaçu | Brazil

The Competition will take place on August 2nd –10th 2024 and will be shot according to the IFAA rules and regulations. The event is open to worldwide members (limited to 336 archers) in good standing from member countries.

The Championship will be held in Foz do Iguaçu, Paraná State, Brazil. The competition venue is inside Itaipu Binacional – World leader in the generation of clean and renewable energy.

The city of Foz do Iguaçu is rich in restaurants, accommodation, and recreational programs, including the impressive Iguazu Falls. After the shooting day, there are countless opportunities to recharge and rest for the next day.

Finally, on behalf of myself, the event Organizing Committee, and all Brazilian Archers I warmly welcome all of you to Foz do Iguaçu.

Alexandre Borrego

Chairman of WFAC 2024

# The 2024 Florida State Indoor Championships Was a Blast!

THE RELEASE

By Alvaro Ubeda  
Posted in NFAA Sectional Page

The Florida Archery Association divided the 2024 NFAA State Indoor Tournament into 3 locations: Tampa, Orlando, and Fort Lauderdale. The strategy turned out to be a total success because it was possible to reach the archers of the 3 regions of North, Central, and South Florida. This organization, added to a continuous communication campaign that includes the NFAA sectional page, the FAA site as well as a continuous marketing effort on Facebook and Instagram, has managed to awaken interest in the sport on the part of the community as well as the participation in events by being able to make pertinent information accessible to all archers in the state.

WThe clubs that received the archers were Adventures archery in Tampa, East River Archery in Orlando, and Fort Lauderdale Archers. We thank the club leaders and all Florida archers for their support of the sport of Archery!

# BECOME A MEMBER
