## **Release Editor/NFAA Director Notes:**

**I would like to thank Shannon North for the dedication and hard work that he brought to FAA for the years that he was Release Editor. He has decided to give up the job. I will try to make you proud and carry on until someone volunteers to take over (the job is available!). This will be the second issue that I have done by myself and I have been behind the scenes assisting Shannon with it for a while.**

**Congratulations to Jake Pettitt, he is FAA's new Executive Vice President. Welcome back to the FAA Board. We missed you.**

**Jacob Marlow has been shooting really well. He placed second in Men's Pro at Lancaster and followed that up by placing first at Foley ASA in Known Pro. Here is the link to the shootoff:**

<https://youtu.be/603Xk1p1Bug>

**We have an election for NAA Representative (ballot is on the back page, or you can email a vote to Tim) Ballot has to be to Tim by May 1<sup>st</sup> for your vote to count.**

**There is an NFAA Meeting this year. Any proposed rule changes have to be turned in May 1<sup>st</sup>. If you have anything that you feel needs to be changed or improved, Please let me know so I can turn it in. Once I have all of them, I will post them on the website and will be asking for your thoughts about them to see if Florida should support any of them.**

**It was nice to see Tim Walker at the International. We shot together when we were kids. He showed me a patch from his first FAA Shoot in 1971. Great.**

**The Board pushed the start time for the JOAD to 11am to give archers time to get to the shoot**

**We are holding two State/Sectional Fields in Gainesville again this year. You can shoot both if you shoot a different style or age.**

**Great news – Just heard that Lake Park in Tampa is open for archery.**

**Bids for State shoots will be decided at the State Field on May 20. Think about bidding for a shoot. It was really nice to have the State International in Sarasota this year.**

**See you on the range. Oliver.**

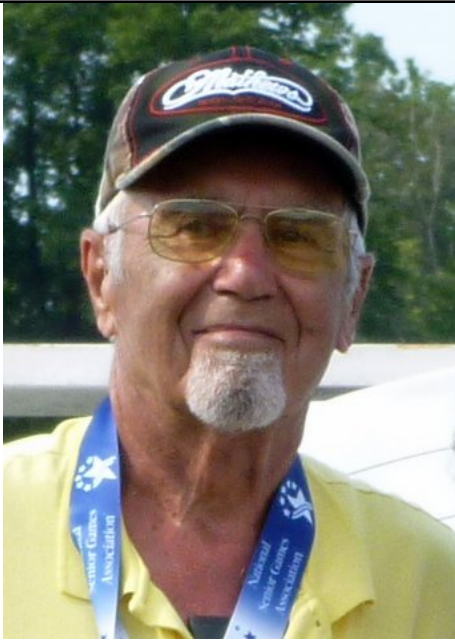

Tim Walker shows his 1971

International Patch

**Congratulations to Jacob Marlow on his second place in Men's Pro at the Lancaster Classic and 1<sup>st</sup> place at Foley ASA shooting Known Pro**

John Horwath

## NEWS

Lee County Archers had their benefit shoot for Jordan Kemble and we had a successful turn out with 50-60 shooters along with a archery auction where everything was sold . We would like to thank everyone that showed out to participate . Once again Thank You Very Much !  
Kevin Frye

**Myers Parish's 6 year old granddaughter has brain tumor which cannot be operated on. Please put her in your prayers. Thank You.**

Please pray for Bill Bishop, he is going in for serious surgery.

John Horwath was chosen by the Florida Sports Foundation as 2016 Florida Senior Games Male Athlete of the Year. John is 94 years old and has multiple Senior Games records. has been an FAA/NFAA member for 11 years. He is a member of The Villages club and is active in Senior Games archery competition.

John Horwath is a fine, talented man who is an inspiration to everyone who knows him. His accomplishments at the State Senior games and at the National Senior Games have set records that will be very difficult to equal. The game we play at State and National events is the 900 Round named for the perfect possible score. John's continued ability to shoot high, record scores is impressive. At the National Senior Games John shot the two highest scores ever releasing the bowstring with his fingers (rather than the more precise release aid) setting records for age 85-89 in 2009 with scores of 778 and 792. In 2013 he set records at age 90-94 with scores of 785 and 787. These scores are 100 points higher than ever shot in the National Senior Games at his age, even with a Release Aid, and he did it with a finger release. At the State Games, John holds our State Records with 801 (age 80-84) in 2006, with 804 (age 85-89) in 2008, with an impressive 825 (age 90-94) in 2012... and then again in 2016 he set our state games record age 90-94 shooting Compound Release with an 807. John will have his 95th birthday in July – He gives us all a high standard to approach as we continue on in our quest for a better life.
