THE FAA RELEASE

PERMIT NO. 569

Release Editor/NFAA Director Notes:

The most current schedule cancellation information is on the front page of our website. www.floridaarchery.org If you pay online for a shoot and it is cancelled, we will give you a 100% refund back to your account. We hope to see you at a shoot when things get back to normal. This Release is going to have the shoot information and notices that are usually in the August Release since we are not going to publish an August Release.

The State Field, Sectional Field and the Sunshine State Games have been cancelled. The Gator Cup has been moved to 6-8 November which moved the FITA Field to the following weekend - 14-15 Nov. In our interesting times both State 3-D's and the State International were cancelled. The NFAA National Indoor, Redding and the NFAA National Outdoor were also cancelled. I don't have much hope for the shoots in the next few months but am holding my breath. FSU has me working from home. Not hard to do for an IT person.

We are going to have the scheduling meeting for the 2021 State Tournaments at the State Target which is our next scheduled board meeting. Consider bidding on a shoot. If things are really bad and we can't hold it, I will host a Zoom meeting on the web for the scheduling meeting. If your club is interesting in bidding for a shoot in 2021 please let your area vice-president know and let me know who wants to be invited so I can send them a link once a date has been selected.

We were scheduled to hold two Fields this year. The first is the regular State Field that we know and love. The second is a trial created by someone who had never ever shot a Field. A Pro who could spell Easton (probably

because he could read the letters on his shirt) shot the wrong target went to Bruce Cull and this showed up. The motion that passed at the annual meeting got rid of one arrow per target, the 80W and 45W on the Field, the 70W and 64W on the Hunter and two group 1's on the Animal round with the argument that this would make a shorter course. You can shoot any target that you want, there are no walk-ups and no fans. Just what we needed was a 24 target, 3 arrow per target Field round. Wonder where I have shot something like that. After I came back from the annual meeting, I talked to Tim and gave him my suggestions to improve this and actually make it usable. He called Bruce and Bruce is now claiming that he was walking a Field range and noticed the changes that were needed. Believable if he said he was riding and the improvements hadn't originally come from me. If you are getting rid on the 80W and 45W, you need to get rid of matching targets for the other two rounds. You will now shoot two group 1's and two group 2's for the Animal round. Unfortunately, these changes were never voted on by the Directors and were actually typed up as occurring at the annual meeting (nice).

The Florida Senior Games will be held the first Saturday in December (Dec 5) in Ft Lauderdale. This is a qualifying year for the National Senior Games being held next year in Ft Lauderdale on 5-18 of November 2021.

The following offices are up for election next year: Central Vice President, Northwest Vice President and NAA Representative. Please let Tim Austin know by December 9 if you would like to run for office.

See you on the range. Oliver.

Congratulations Tim Walker. Tim won the 60 plus Recurve Men's Indoor Title and set the Single 18m National Record.

Congratulations, we have 5 Florida Archers on the USA Archery Teams for 2020
