**Presidents Notes:** Hi Everyone, A lot of you may be unaware of the “Near Miss” that Tim Austin had with his life over the past few weeks, but now he is finally on the mend. He had Staph Infection of the blood, apparently caused by a splinter in the back of his hand. He spent over two weeks in Intensive care, and another couple in the hospital. On April 2<sup>nd</sup> they moved him into a Rehab facility to build his strength back up so he can go home. He has to have an IV for about 4 more weeks. Tim and his family would like to **Thank Everyone** for their prayers, cards, flowers, phone calls and encouragement. Those with internet access can monitor Tim’s status on [www.caringbridge.org/visit/timaustin](http://www.caringbridge.org/visit/timaustin)

**“We all miss you “Tim” and look forward to your return!!!**
