2012 FAA TARGET CHAMPIONSHIP

Gold Coast Archers, Delray Beach 13-14 October

* State Record

A tropical storm in the Atlantic caused at least 38 MPH busting winds that came from right to left and caused extremely difficult shooting conditions. It's amazing that 9 individuals broke records, including one with record breaking scores on the 900 Round. We had gusting wind for both days and a little bit of rain as well. The host club provided a beautiful range, well reworked mats and stands, good food... an overall very nice experience once you got by the wind...
