**Greetings from your NFAA Director.**

**There is a lot going on. I decided to shoot Vegas this year since I was already there for the National Meeting. The Vegas round is shot at the NAA Indoor face but with the whole 10 ring for compounds and only 30 arrows a round. Three rounds are shot. I originally registered Freestyle Flights because it is the biggest group. My goal was not to be in last flight. I was convinced to switch to Limited Flights but I would have made my goal if I had not switched. At the National Indoor, I shot my second Robin Hood ever during practice. The airline broke it into four pieces which I will now attempt to glue**

back together so it can hang on the wall. We have brought the National Unmarked 3-D to Florida from Yankton, South Dakota where it has been held for a number of years. If we can get a big enough turnout, we might be able to keep it around for a while so please support the shoot if you can. I am going to attend even though I cannot judge distances. I bought some cheap carbons and plan to leave a bunch in Ft Lauderdale. Hope to see you there. There was a motion at the latest board meeting that you need to know about. Some on the board want to change the State Unmarked 3-D from 60 targets shot over two days and the State Marked 3-D from 60 targets shot over two days to make each a one day 30 target shoot shot over the same weekend. Each would be a separate shoot so you could shoot one or the other or both. They plan to lower the tournament fee by \$5.00 each. If this is something you are for or against, you need to let your Vice President know so they can vote the way you want.

Hope to see you on the range. Oliver.
