IFAA NORTH AMERICAN FIELD ARCHERY CHAMPIONSHIP (NAFAC 2012) December 7-8-9, 2012 at Homestead, Florida

The IFAA, in cooperation with NFAA-USA and its member Florida Archery Association (FAA) have approved the Everglades Archery Club to host the IFAA-sanctioned 2012 NAFAC on 7-8-9 December 2012. FAA will lend assistance and administration to the shoot. The Everglades Club is located south of Miami in Homestead, Florida. If you have never been to Everglade Archers range, you are missing a very diverse shooting experience. The venue offers shots over the lake with mild up-hill and downhill settings. There are no other ranges in Florida like this one. You really do need to be in Florida at some time during the "winter" months. What an excuse to go South with the Snowbirds and enjoy, even for a few days, what they enjoy all winter. Many "Snow Birds" will already have made their way South for the winter. We invite you to come on down! The Price is Right — the time is right!! With the normal format of 28 Animal, 28 Field, and 28 Hunter, the range is set up for four across shooting and you will have plenty of arrows to shoot. Everglades is noted for its "Beast Feast" and food will be served both days.
