June 2014

Greetings from your NFAA Director.

Proposed NFAA rule changes are due to NFAA by September 1st. If you have a rule you would like changed or added, please let me know and I will send it in. I plan to have an Agenda Item to change the take-down Longbow from three pieces where someone could take an Olympic riser and short string it meet the new Longbow requirements to make it a two piece take-down.

It was very sad to me that Miami Springs decided to back out from holding the Indoor next year. They have a very nice venue and were growing in participation. Miami Springs had complaints about Ft Lauderdale also holding the indoor even when I explained that they were not losing that many shooters to them. Ft Lauderdale spent \$1200 on a timing system (which they let the Sunshine State Games use for free, which was very nice of them). Ft Lauderdale is holding Indoors to finish paying for the system and were reluctant to withdraw their bid. I am working on it but don't have any answers right now. I have talked multiple times with Mark Bain and Bill Coulter and will see where we go from here.

It was nice shooting at Sarasota's range for the Sunshine State Games. They have a real pretty range, nice trees and plenty of shade. They will be holding the Sunshine State Games next year so make a point to attend. Their range is worth the trip. I love their curved bridge. I am attending the National Field at Yankton in late July. They are also holding the World Field right after and I will be shooting that as well. Ten days of shooting, will my back take it? I will tell you about my journey in the next Release. See you on the archery range. Oliver.

ARCHERY ON-LINE REGISTRATIONS

Oliver has added online registration to the website. We are using a paypal account that he setup for FAA.

We had our first non-test registration on 4/30/2014 and had 20 percent of the Field participants pay online.

We've had to pass the costs of the transaction onto the archers. Happily it only came to an extra dollar for State tournaments and an extra dollar fifty for sectional tournaments. If the archer wanted to mail in a payment, it would cost them the dollar (postage and an envelope – not counting gas to get to the post office). This saves them one dollar from the pay onsite fee and saves them from having to stand in line to pay at the shoot.

Take a look. We have currently have links on the registration page (a generic registration form where you can register for any shoot) and on the 2014 Field and 2014 Sectional 3-D information pages. On the shoot information pages I am locking (attempting to anyway) the shoot to the one that the information page is for since that should be the shoot that the archer is wanting to register for.

Jake Pettitt getting his well-deserved Florida Archery Association Hall of Fame from Bob Jones.

The Florida Archery Association was supposed to have a notice in the last December Release advertising that offices were coming open and asking for nominations with ballots in the March Release for the offices of FAA President, NFAA Director, South Vice-President and North Vice President. This was not done due to an over-site.

To make it fair to members without internet access, the announcement requesting candidates is in this Release, the ballots (if needed) will be in the September Release with ballots due to the FAA Sec/Treas by December 1.

Anyone desiring to run for the office of President, NFAA Director, South Vice President or North Vice-President please contact Tim Austin and let him know you would like to run no later than August 1.

Individuals currently in office have all indicated that they wish to stay in office and will be on the ballot.

The Florida Archery Association is on the web @
