Southeastern Section Report

by Paul Davison, Councilman

2003 Southeastern Outdoor Sectional Keowee Bowmen, Clemson, SC, June 21-22

It had been far too long (12 years?) since we had held an Outdoor Sectional at Clemson ... site of the 1977 NFAA National Outdoor. The Keowee Bowmen have outstanding facilities and membership support, and are well experienced in hosting large outdoor tournaments. Based on Keowee's reputation, Virginia Director McManus and husband Joe trekked to the Southeastern Section where they once again shot as guests (also 2001 in Georgia). Although the famous, and most challenging, Black Range wasn't needed, the "home" Red Range was perfectly configured for ease of shooting and scoring. weather certainly didn't hurt either. For the first time in several years, we had near perfect conditions ... sunny, reasonably mild temperatures, and very few bugs. Nine new aggregate scoring records were established, helped somewhat by the new one-point bonus ring on the Animal targets.

Great hosts and a great tournament! Congratulations to all!

The 2004 Sectional hosts and sites were selected by the Directors at our annual meeting on June 20th. The Sectional Indoor will be hosted by the Peach State Archers in Conyers, GA, on February 28-29, 2004. The Sectional 3-D will again be hosted by the Sandune Archers in Myrtle Beach, SC, on April 17-18, 2004. The Outdoor Sectional will be hosted by the Central Florida Bowhunters near Ft. Meade, FL, on May 29-30, 2004.

Also at our meeting, Steve Malone was elected Southeastern Section Councilman for the 2004-05 term. Congratulations, Steve!

Southeastern Outdoor Sectional Results [Perfect (28 F + 14 A + 28 H) = 1414]
