

## 2003 SOUTHEAST SECTIONAL FIELD CHAMPIONSHIP

21-22 June 2003 – Keowee Bowmen – Clemson, South Carolina

Perfect weather, a beautiful field range, and gracious hosts made a marvelous weekend for the 79 archers who participated in this year's premier Southeastern event. The new bonus animal spots were used, and all Animal Round records and Total Score records from this year forward are based on a possible 294 animal and a possible 1414 total score. We will only install new records as old ones are broken. Official notification is made that any Hunter Round or Total Round records shot in this 2003 event were shot with 65 cm faces posted at the two 53W targets: By the time an NFAA Director found the error, groups had already scored on the face and passed on.

### Sectional Record \*
