

2004 FLORIDA SENIOR GAMES STATE CHAMPIONSHIP ARCHERY – 900 ROUND

***Games Record**

At the start of the event, the FAA President gave the shooter of the year plaques to James Pettitt and Debra Sieloff. Their special shirts will be presented at the Indoor Championship in January.

The day blossomed chilly with a breeze, and shortly after we started shooting, a drizzling rain started, and then the wind started shifting as well. Difficult and uncomfortable, but not as bad as last year. We had a really good turn out of participants, and then several folded and went home... thus several incompletes. Two archers didn't turn in score cards, and Roy Bovee's score is as best remembered by his competition... since he had sat out for several ends, he wanted to make sure that the others received any awards and didn't put scores on his card. Some super scores were shot in spite of the weather... just look at all the games records set.
