11th Annual Gainesville Senior Games for athletes ages 50 years and older –Archery Games:

Event Date: Saturday October 22nd, 2011 at 8:00 am

Event Location: Gator Bowmen Archery Range (1719 SW Wacahoota Rd, Micanopy, FL 32667)

Events: Compound Finger; Compound Release; Recurve; Barebow Compound; Barebow Recurve.

The Villages ‘NEW’ shade cover

The range is now open. We have 17 targets for our tournaments. The surface is a combination of ground up rubber tires and other compounds to bind the material together. Its a comfortable surface to stand on and water will drain through the material. There is ample room behind the shade cover for chairs for the archers and guests to observe the shoot.

Congratulations Ryan Oliver on his National Championship Title earned at JOAD Nationals in Sacramento, CA for the Bowman Recurve Division in July

IFAA NORTH AMERICAN FIELD ARCHERY CHAMPIONSHIP (NAFAC 2011)

December 9-10-11, 2011 at Homestead, Florida

The IFAA, in cooperation with NFAA-USA and its member Florida Archery Association (FAA) have approved the Everglades Archery Club to host the IFAA-sanctioned 2010 NAFAC on 10-12 December 2010. FAA will lend assistance and administration to the shoot. The Everglades Club is located south of Miami in Homestead, Florida. If you have never been to Everglade Archers range, you are missing a very diverse shooting experience. The venue offers shots over the lake with mild up-hill and downhill settings. There are no other ranges in Florida like this one. You really do need to be in Florida at some time during the “winter” months. What an excuse to go South with the Snowbirds and enjoy, even for a few days, what they enjoy all winter. Many “Snow Birds” will already have made their way South for the winter. We invite you to come on down! The Price is Right — the time is right!! With the normal format of 28 Animal, 28 Field, and 28 Hunter, the range is set up for four across shooting and you will have plenty of arrows to shoot. Everglades is noted for its “Beast Feast” and food will be served both days.

2011 FAA TARGET CHAMPIONSHIP

Ft Lauderdale Archers, Ft Lauderdale 8-9 October

* State Record

Extremely bad weather chased us off of the newly designed and worked Target Range at Ft Lauderdale's range. The host club re-adjusted their practice range and made it possible for us to shoot the tournament from under the sheltered shooting line at the practice field... everyone still got wet, but at least the equipment was mostly dry and the archers only got soaked scoring. The weather caused 20 No-Shows and Departures, but the tournament was held, some record scores were shot, and most everyone had a good time in spite of the weather.
